# **aiogtrans**

***Release 1.0.0***

**Ben Z**

**May 18, 2023**

**CONTENTS**

<b>1</b>	<b>Translator</b>	<b>1</b>
----------	-------------------	----------

## TRANSLATOR

---

**Note:** As of this time alogtrans is still being rewritten. No documentation will be provided.

You can check [googletrans](#) for complete documentation. This library is more or less the same, instead though, use await in front of translate and detect methods.

---
